Hi Michael -

Thank you for your prompt response. Please find more information on the Summit below and an invite is attached. Please RSVP using the eventbrite link!

The Board of Public Works Office of Community Beautification's [Keep Los Angeles Beautiful](#) will host its first-ever Beautification Summit on Thursday, May 31, 2018 in the Tom Bradley Room at City Hall.

At the Beautification Summit, we expect more than 100 participants from across Los Angeles to join us for this half-day program that will feature educational presentations, networking opportunities, and a resource fair. Attendees will also receive giveaway items and participate in raffles. This is an opportunity for like-minded groups to come together to share knowledge and resources from our dedicated efforts toward building a clean, green, and beautiful Los Angeles. By discussing efforts to prevent litter, promote the reduction of waste through reuse and recycling, other beautification projects, and funding opportunities, this event will inspire beautification organizations with ideas for new projects and help identify opportunities for collaboration with the City of Los Angeles.

For more information, parking instructions, and to RSVP visit: <https://www.eventbrite.com/e/keep-los-angeles-beautification-summit-tickets-43627529114>.

Hello-

I hope this email finds you well. My name is Mia and I am from the City of Los Angeles, Department of Public Works, Public Affairs Office.

Is there someone on the Wilshire Center BID staff that handles sustainability efforts? We would love to invite two of your staff members to an upcoming Summit we are hosting. Would you be able to send over an email address to send the invite to?

Thank you.

Best,
